Mr
André-Paul Widera
Mentlgasse 5/212
6020 INNSBRUCK

Innsbruck, March 28, 2024

(W, P170902, BRIEF_EN.DOCX)

Letter of recommendation

To whom it may concern,

this letter of recommendation is written on behalf of Mr. André-Paul Widera, who has successfully participated in my lectures in the field of accounting, business informatics, cost accounting, controlling and empirical social research in the course of the study program "Management, Communication and Information Technologies" at the "Management Center Innsbruck". As a senior lecturer, I have known him since October 2021.

Mr. Widera always made a positive impression by actively participating in the lectures. He has particularly distinguished himself through his attentive and analytical questioning of the teaching material. Mr. Widera has proven that he critically questions scientific findings, does not intrinsically regard supposed doctrines as irrefutable and is able to break them down into their components argumentatively and analytically.

He also made a positive impression with his consistently motivated approach, as he was always keen to learn from the experience of lecturers during the preparation phase of his Bachelor's thesis. Mr. Widera always strives to find out what separates the wheat from the chaff and what challenges are involved in becoming an expert in a field. In doing so, he uses new and exceptional approaches and does not shy away from asking questions.

In addition, it should be noted that Mr. Widera has left the impression, especially in the course of the subject "Controlling", that he is able to perform by successfully passing this course with an A. He has demonstrated that he has the necessary cognitive skills to study and explain facts at a high level.

As a result of his personal efforts, I consider his previous achievements as remarkable. Therefore, I can postulate without hesitation that Mr. Widera is very well qualified to pursue a further academic career.

Yours sincerely,

Thomas Dilger, BA MA
Senior Lecturer
Management, Communication & IT (BA)
